Message from the Chairman

Dear Devotees,

It is appropriate at this point, as an out going President of HCCC, to list some major highlights achieved during the course of this year. The biggest achievement of this year, undoubtedly, is the grand opening of the HCCC Library! When HCCC was founded more than twenty years ago, it had been the dream of the founding members to have HCCC as a community and cultural center and we have taken a first step in that direction. It is just a humble beginning but we already are making excellent progress.

In addition:

- * Revenues far exceeded the target.
- * 10 priests on the payroll.
- * Maha Alaya Samprokshana performed during February 2002.
- * More than 12,000 devotees visited the temple on the New Year's Day 2002.
- * Automated Remote Controlled Main Gate.
- * Lighting System for the parking lot.
- * Upgraded the Temple drainage system with hot water connections to all the sanctums.
- * Completed the indoor Temple flooring project.
- * Renovated Temple Rajagopuram.
- * Started Firelane project (in progress, to be completed shortly).
- * Clean up of all the scrap and garbage around the temple. (This is a continuing maintenance priority).
- * Installed a big kitchen sink inside the assembly hall kitchen to facilitate the cleaning of large pots and pans inside. This has helped mitigate neighbor's complaints about noise.
- * Implemented cost reduction measures in overall maintenance, including security patrol services, that resulted in huge savings.
- * Better maintenance of bathrooms by bringing in professional contractors.
- * Devotees are now able to schedule poojas through our temple web site.
- * Devotees can now use their credit cards to pay for temple services.
- * Mass e-mail system is in place, which helps us a great deal in communicating with our devotees regarding upcoming events at the temple.
- * Started Spiritual Instruction, Pravachans, and Vedic Chanting at the temple Library.
- * Conducted three fund raising events, which generated more than \$100K Dollars.
- * System in place that generates more than \$5K per month through food distributions on week ends through voluntary services.
- * Paschimavani publishing streamlined with improved content.

It has been a great privilege and a divine Blessing to serve this esteemed organization of ours. I am also thankful for the wonderful opportunity to work with a talented group of EC and BOD members in the past two years. It is evident that the development and growth of our temple has picked up momentum and it is imperative that we should work hard towards improving the overall infrastructure at an even faster rate. I am confident that God will bless us all to achieve this goal.

Thanks

Raj Balakrishna, President, HCCC.
