CHAIRMAN'S MESSAGE

Ushering in a New Year

Dear Devotees,

As 2008 rolls in, HCCC anticipates a large number of devotees to visit the Shiva Vishnu Temple in the ensuing months : for New Year's Day and for events that follow, such as Rama Navami, etc.

As a registered non profit organization, this is also the time of the year when HCCC kicks off its annual election process. Shri Prakash Pokala has been nominated as the Election Committee Chair.

Some of the HCCC key goals are to achieve "devotee retention" and "devotee satisfaction". We would like devotees to visit the temple as often as possible and also have an authentic experience at the temple.

One area we have focused on is the Annadana program. This, combined with volunteer help, caters to the need of devotees visiting the temple during weekends: by offering prasadam during lunch time. We are also planning to provide some facelift to the eating area in the short haul.

HCCC's vision for the future is to continually improve its efficiencies: be it in temple operations or facility enhancements. We would like all the devotees to be part of these improvements, since we are a volunteer-run organization. Please join us by offering your services to the extent you can.

We look forward to your continued visits in 2008.

On behalf of the entire staff and volunteers of HCCC, we wish You A Very Happy New Year.

May the Lord be with us in all our endeavors

God Bless us all.

Krishna Chander

Chairman of the Board, HCCC

CANNED FOOD DRIVE

HCCC Human Services and Youth & Education with Alameda County Community Food Bank (ACCFB) jointly hosted the first ever Can Food drive at the Livermore temple during the months of October and November. ACCFB is the Alameda county's clearing house for donated food, the Food Bank provides food assistance for 40,000 low-income Alameda County residents each week, which includes 14,000 children and 7,000 seniors. Most adults served are among the working poor individuals, they also distribute bags of food to school children in need. HCCC acknowledges the gracious can food donations by all the devotees without their help the temple wouldn't have filled 5 barrels of Can food for the needy and hungry. Thanks to the temple management and all the Devotees for their overwhelming contributions and helping the local community.

ACCFB's volunteers were impressed with the Temple's can food drive ,since we collected close to 547 Pounds of food with another 150 pounds of food waiting to be picked up. All this credit goes to the Devotees for being generous and thoughtful of the community needs.

ANNADANA PROGRAM AT HCCC

"Annath Bhoothani Jayanthe Jathani Annena Vardhanthe" -- Upanishath.

The Annadaana program for 2008 New Year is a divine opportunity for the community to sponsor food through the Livermore Temple with utmost devotion. One can participate in this program by paying a suggested donation of \$251 towards the 15000+ food packets for devotees.

In this whole universe, the creation depends on food and it is progressing because of the food. Giving food to the devotees is more than attaining heavens. All our puranas hail that the Annadaana is the supreme and is incomparable to any other form of charity.

(<http://livermoretemple.org/hints/content/html/annadanna.html>)

Livermore Temple has been providing lunch prasada (Annadaana Program) for all devotees visiting the temple on any weekend day for the last five years. This program is completely sponsored by the Livermore temple devotees. Devotees sponsor on weekend days Annadana recognizing the special events like birthdays, marriage days, or death anniversary days of their dear ones. Devotees also sponsor on special occasions like graduation, promotions, starting a new business, New Year day, other temple festival days, etc or without any reason. Also the best part of Anna Daana program is when you become part of cooking the food for devotees. If you are available, please be part of the Srama Daana, which is becoming part of cooking and serving food for devotees on a week-end day. Three to four devotee families will prepare the food for devotees using temple kitchen.

For example, on Jan 1st of 2007, 250+ Annadaana sponsors took care of 15000+ devotees visiting on that weekend. Sponsors donated money, food items and also came as volunteers to prepare food and served for all the devotees visiting the temple. This successful program is completely managed by the temple devotees.

GANESHA CHATURTHI 2007 CELEBRATIONS

Ganesh Chaturdhi celebrations for 2007 were held at the temple from August 25th to September 23rd. The celebrations were started with Ganapathi Atharva Sheersha Abhishekam on August 25th. The lead priests for this year Ganesh Chaturthi celebrations were Pdts. Chintapalli Venkata Sharma and Nageswera Sastry. The Shilpi from Atlanta temple made the Ganesha clay idol which is about 48 inches height. The Ganesha idol was nicely decorated prior to the puja on Ganesha Chaturthi day. On Sept. 15th, Ganesha Chaturthi day, the temple was opened at 7.00 AM. and by 10 AM the devotees had to wait in long lines to receive blessings of Lord Ganesha. All religious proceedings scheduled for this day went very well. It was very impressive to see about 7000 devotees visiting temple and receiving blessing of Lord Ganesha during this occasion. Crowd management, parking and food supply were well coordinated. In the afternoon, our popular religious proceedings including Ganesh Procession on Mushika Vahanam went very well. After Ganesh Chaturthi day, the nine days special Alankaram rituals started from Sept. 16th through 23rd. On Sept. 23rd morning, the Lord Ganesha visarjana rituals were started. After the religious proceedings the Ganesha idol was taken in a van to Sausalito and the van was followed by two buses with 110 devotees. At Sausalito, the idol was transported into a yacht and then all devotees boarded the yacht. The idol was taken near the Golden gate bridge with religious proceedings and immersed in San Francisco bay. Then theertha prasadam was served on the yacht and all devotees returned to the temple. HCCC thanks to grand sponsors, sponsors, devotees, all volunteers and event coordinator for wonderful planning and arrangements for the entire 29 day event. Veeriah Bodepudi garu lead the coordination of the celebrations (which needed 3+ month preparation).
